CIRCULAR MEMORANDUM

Sub.—Survey—Metric system—Precision of measurement and recording of areas.

Ref.—Minutes of the third meeting of All India Cadastral Survey Standing Committee held at Bombay 11th and 13th November, 1965.

In para 3 of the minutes of the third meeting, it was decided that recording of areas up to four places of decimals of a hectare may be done. The suggestion to record areas up to 4 places of decimals of a hectare is approved. The least—count in the area—measure will therefore be 1 square metre. The recommendation to adopt 1 centiare (1 sq. metre) as least count in recording areas is accepted. The above instructions may be followed in future in recording of areas in Metric System.
